Good evening to all the honourable dignitaries, Parents, teaching and non-teaching staff and my dear students.

On this delightedly beautiful January Evening, I take this opportunity to convey my warmest greetings to you, and I warmly welcome each one of you to our Annual day today.

Past two years were very challenging for us. After a gap of two years, all our students were back to school and our teachers had a very tough time in bridging the gap of learning. With great contentment I can affirm that we have been able to bring our children back to the rhythm of learning. All praise to the dedication and hard work of the teachers.

Our management Shreeram Shikshan Sanstha has established itself as the premier institution of learning, providing international quality education. Our visionary management has created an environment which inspires focused and committed efforts, encourages innovations and enterprise, where 'Excellence' is the watchword and I consider it my proud privilege to be associated with such a prestigious institution as Principal of Phoenix International & The Lilliputs. With great pleasure, I present in a nutshell the highlights of the academic year 2022-23 as follows:

With the visionary mission Building Human Networth, Phoenix International & The Lilliputs has been stepping from success to success all through the years since its humble beginning in 2017.
