VISION STATEMENT OF THE SCHOOL:

- **“TO NURTURE AND ENSURE HIGH ACADEMIC STANDARDS”**

MISSION STATEMENT OF THE SCHOOL:

- **“BUILDING HUMAN NETWORK”**

- **BASIC INFORMATION OF SCHOOL / CULTURE OF SCHOOL**

A team of eminent entrepreneurs, educationists and administrators visualized “Phoenix International & The Lilliputs”. With a rich experience of setting up huge educational institutions in and around Navi Mumbai, the team now endeavors to raise the bar, by establishing an institution that will serve the society and contribute to the making of global citizens.

- **FOCUS OF SCHOOL**

The establishment works on to give visibility to the competencies and contribution of young children in a way that challenges us to move beyond traditional checklists. The establishment deepens engagement with families as partners in their children’s learning. The establishment values, promotes and celebrates respect for diversity, equity and inclusion. The establishment engages educators in thinking about environments, experiences, and the daily life of the classroom in ways that will challenge and meet up with children’s lively minds. The establishment avails the environment in which educator and pupil study and articulate play and inquiry as learning, the sole motto of the establishment is to develop a culture of reflective practice so that professional development happens day after day in the classroom as the establishment works with children and each other.
