Dear Parents

Greetings from Phoenix International & The Lilliputs!!!

A whole day at my school

A good school will always strive to provide children with wholesome experiences that extend beyond the classroom. And so, we plan to celebrate the arrival of rains with a **Monsoon Camp** for the students of **Grades III - V**. The objective is to help students develop their self-management skills, become independent, and enhance their socio-emotional skills. The plethora of activities offered includes **physical and mental wellness sessions, art & craft, science in day-to-day life, fireless cooking, music, singing, and many more.**

I urge all parents to encourage their ward to participate and feel at home, away from home!

Regards

Sujata Menon

Regional Director
